**W**elcome to Salt Lake International Driving School (SLIDS). Our instructor (s) are State Certified and are thoroughly trained through the National Safety Council. We look forward to collaborating with you to provide you with an enjoyable and safe learning environment that will prepare you for the challenges Utah roadways have to offer. Whether you are new to driving, new to the area, preparing for the State Road Test or just need additional driving practice on the freeway; you have come to the right school to equip you with safe driving skills. Please review the program rules and regulations before signing the registration form. Thank you in advance for trusting SLIDS with your driver training needs and appreciate your full cooperation in the school terms and conditions.

**General Rules:** Salt Lake International Driving School is an LLC registered with the State of Utah, Department of Commerce, licensed by the City of West Valley to conduct business and certified by the Utah Department of Public Safety Driver License Division as a Commercial Driver Training School. Our school is owner operated with low overhead cost, therefore passing all the savings to you while providing you with exceptional Driver education experience.

SLIDS will provide students with driver education services based on individual student needs. SLIDS does not have a one-size fits all policy; every student driver is unique therefore the training provided will be catered to the student while exceeding the state minimum requirements for licensing in the State of Utah. SLIDS offers complete driver education course, private drives and division approved skills assessment. SLIDS invites you the (parent/legal guardian) of a student under 18 years of age to participate in the behind the wheels sessions as a silent observer whenever there is an open seat in our training vehicle.

All scheduled behind the wheel lesson will continue as scheduled after the 24-hour cancellation period. We reserve the right to change or modify your scheduled appointment with a minimum of 8 hours in advance notice as seen fit for the safe operation of the program. It is the student's responsibility to contact our office for the status of your scheduled behind the wheel lessons. Finally, we reserve the right to cancel drives for reasonable cause (i.e., natural disaster, severe weather) within a 24-hour cancellation period.

**Behind-The-Wheel Training (BTW):** Salt Lake International Driving School provides driver license division approved practical skills training commonly known as "Behind the Wheels training." In this program, the driver trainee will participate in an instructor led, trainee driven sessions. These sessions are 2 hours per block. A student is limited to a maximum of one driving block per day. In the state minimum driving education program, the student MUST complete a total of six driving hours to satisfy the driver license division minimum requirements for licensing. In addition to the driving hours, all students under the age of 19 years of age are required to complete either an online 30-hour study course, or a 9-day classroom. Students and their parents have the option to choose which program best suites their training needs. All behind the wheels training hours in this program is conducted in School owned, division approved, dual break modern vehicle at the current rate in USD payable to the school at time of registration.

**Certification:** As required by Utah Rule 708-2-16, upon completion of this program, you will receive a certificate of completion in your name providing proof of behind-the-wheel training. You may present this certificate with a separate documentation showing the completion of classroom training (if applicable) from another approved program to meet the driver license division's requirements for driver education.

**Please note,** per Utah rule 708, Salt Lake International Driving School will not offer the skills assessment/road test to students who have completed any behind the wheel training hours at our school.

**Out of State:** Out of state student trainees who have completed a portion of their state required driver education skills hours may complete customized behind the wheels only skills training to meet the minimum Utah state requirements. The student can choose to either complete the full Behind-The-Wheels Only program (6 hours) or only complete the remaining hours at the current private drive hourly rate. At the completion of these hours, the student will be provided a certificate showing behind the wheels driving training hours completed at Salt Lake International Driving School.

**Private Drives:** Salt Lake International Driving School also offers private drives for individuals who need extra practical skills training to prepare the skills road test, or those students that just need additional hours to feel secured in their safe driving abilities. These private drives are offered in a two-hour session at the current hourly rate payable in USD. In a private drive session, the student receives a one-on-one practical skills training on any particular maneuver for the road test or general driving practices. A student can purchase these blocks as individual- pay as you learn program or in package customized to the student's need after a free 15-minute skills evaluation with our instructor.

**Pickup/Drop Off Services:** For all behind the wheel driving appointments, with prior arrangements SLIDS can provide pick up and drop off services within the scheduled appointment time slot anywhere in Salt Lake County. All scheduled driving sessions will begin at scheduled time from school and terminate at the school at the end of appointment slot. If pick up and drop off services are pre-arranged, the instructor will leave the school at the start of the appointment and drop off the student 15-minutes prior to the end of the appointment to allow sufficient time to return to school by end of scheduled appointment.

**Skills Assessment/Road Test:** Congratulations on completing your driver education courses. Thank you for trusting us to evaluate your safe driving abilities. Salt Lake International Driving School is pleased to offer you a DPS approved, third party road test. A student may choose to use their own vehicle or school owned vehicle for this practical skills test. If a student chooses to use their own vehicle, the vehicle must be properly licensed, insured and in a good mechanical condition.

A student trainee is limited to one skills test in 24 hours per division rules. A student may re-take this test with SLIDS for a maximum of three times for an additional fee per test. If after the third test a student is unsuccessful in passing the skills test, Salt Lake International Driving School will offer the student a customized behind the wheels training under our private drive program to help the student with establishing safe driving skills. The student will then be instructed to get additional skills testing at a different third-party tester or at the Driver License Division office at the students expenses. SLIDS will not provide third party road test to any student who has completed any behind the wheels driving hours with any of our instructors.

**Learners Permit:** The student shall supply the school with a valid learner permit before any drives are scheduled, (the permit must also remain valid throughout the student enrollment in any of the school programs). It is the student's responsibility to check all ID and testing requirements for the State of Utah before registering in any of our programs. Any student that presents an expired learner permit, international driver license without the proper permit from the driver license division for a scheduled driving session or road test will be asked to re-schedule the appointment at the students expenses for the missed session.

**Tuition:** Unless prior arrangements are made, the student agrees to pay Salt Lake International Driving School the full tuition for selected program at the current school rate at time of registration. We accept all major US and international cards, VISA/MC/DISC/AMEX. We also accept cash and cashier's checks. Salt Lake International Driving School does not accept personal checks of any kind. Salt Lake International charges all applicable state and locality taxes on all tuition and fees for all programs. Student tuition is not transferable from one student to another. A student who defaults on payment plans and fails to fulfil the agreed upon terms will be subject to collection fees as permitted by the State laws.

**Refunds:** Students are eligible for a full refund if the request is made within 24 hours of registration. After this grace period a \$50 service charge will be assessed in addition to any behind-the-wheel, hours, and classroom lesson completed before withdrawal. No refunds are allowed after six (6) months of program enrollment, if student chooses to withdraw from program for any reason.

**No show Fees:** An additional fee of \$50 will be charged to the student if he or she is absent from a previously scheduled behind the wheel driving appointment. The no show fee must be paid in full before any subsequent appointment (s) are made. If the student misses four scheduled appointments without proper cancellation notice, the tuition will be forfeited, and the student fails the course. All cancellation requests must be made 24 hours before the start of scheduled session by contacting the school main phone number and leaving a message if unanswered or by sending an email to the school email address provided at time of registration. No re-scheduling or cancellation will be accepted via text messaging.

**Alcohol/Drug use:** Salt Lake International Driving School has ZERO tolerance for student consumption of alcohol, drugs, or any chemical substance that may interfere with their safe operation of motor-vehicle during the session. A student suspected to be under the influence of any alcohol or drugs, (illicit or any prescribed) impairing the student's ability to safely operate a motor vehicle will be asked to re-schedule their appointment for an additional fee of no less than \$50.00 per hour missed. This will be \$100.00 per session missed due to drug and alcohol policy violation. It is the student's responsibility to know the effects any prescribed drugs will have on their driving ability before making any behind the wheels training or assessment appointment.

**Smoking/ Personal Electronic Device use:** Smoking and vaping is not allowed during lessons (classroom or in-car sessions) or within thirty feet of the school vehicles or classrooms. The use of personal electronic devices during class or while driving or testing in the car is prohibited. Students in violation of our smoking and electronic use policy will be given warnings as seen fit for the successful completion of the program. Any student who willfully fails to comply with our smoking and personal electronic device use policy will be dismissed from the program with no refund.

**Course Time Limit:** Students must complete the course within twelve calendar months commencing the date of registration. If the course is not completed within twelve months, the student must repay the full registration fee and start the course over at SLIDS or any other school of the student choosing. Student may begin program on the same day payment is received and register for subsequent classes at their own pace, so long as the program is completed within the prescribed time above.

**Guarantees:** Salt Lake International Driving School does not guarantee of any student passing any part of subsequent testing after the completion of our program (s), we will do our best to equip you with the skills necessary to be a safe driver on Utah roadways.
